PRODIGY

We designed Prodigy to be the ideal blend of performance, function, style, and affordability for essential workforce management functionality.

Prodigy™ is for those who demand a rich suite of features at an affordable price: plug and play, web services, customizable function keys, optional biometrics, smartcards and more! Biometric options protect employees' personal information and eliminate costly buddy-punching.

FEATURES INCLUDE:

- Internet appliance
- Plug and play
- External USB port
- Onboard and remote diagnostics
- Biometric options for increased personal security
- Programmable function keys
- Ergonomic design with angled card slot
- Works in WAN and LAN environments, including WiFi, modem, and Ethernet
- Optional power over Ethernet module
